

HUNTER

M A R I N E

212

Take the rigging ease and performance of a daysailer, add the comfort and overnight capability of a mini-cruiser and make it easy to trailer: introducing the new Hunter 212. With the innovative, patented Advanced Composite Process, this new Hunter is both lightweight and extremely durable. Five times more impact resistant than fiberglass, this boat is tough, unsinkable and virtually maintenance free.

STANDARDS / OPTIONS

Hunter Marine Corporation has been a leader in sailing innovation for over 25 years. Warren Luhrs set out to build a no-nonsense sailboat that was truly affordable to the average sailor. He also took his ideas and many others to sea in his offshore racing boats. But the single most important resource in building Hunter to an industry leader has been the Hunter Owner. Their
